Bringing charity straight to the home

**The Charity Club Langkawi** is committed to improving the day to day lives of underprivileged families in Langkawi.

## WE

**work** hands on with families to offer moral, practical and financial support in times of need

**assess** each family and carry out checks before giving support

**never** give cash

**keep** expenses to the absolute minimum  
– around 4% of our income

**allocate** every ringgit received (no expenses)  
for our programmes

## WE

**deliver** basic food parcels every 2, 4 and 8 weeks

**introduce** sponsors to help with primary, secondary and tertiary education costs

**introduce** sponsors to help with everyday living costs

**provide** funds for sanitation and repairs to homes

**distribute** donated clothing, shoes, toys, linens and household items

**fund** medical appointments, walking aids, glasses and hospital travel costs

**do** so much more to improve the day to day lives of 'our' families

## WE NEED

**more** funds to enable us to continue with our work

**volunteers** with time and/or expertise to help us

**sponsors** for families and schoolchildren
